

## Infant Baptism (0-6 Years Old)- Letter to Parents

We are excited to be a part of your child's relationship with Jesus Christ and His Church through the Sacrament of Baptism! It is always a joyful experience for us to welcome a new Christian into the Church and into our parish community. Through baptism, your child will be adopted into God's family, receive the grace of salvation won for us by Jesus Christ's death and resurrection, and have life in the Holy Spirit. As the doorway into God's Church, Baptism enables your child to grow in holiness by receiving the other sacraments as they mature.

### Baptismal Preparation

- Your child can only be 6 years old or younger for "Infant Baptism." If your child is 7 years old or older, please contact our office for details on preparing this child for Baptism.
- We need a copy of your child's legal Birth Certificate at least 2 weeks prior to the date of the scheduled Baptism to create your child's Baptism Certificate.
- Parents are required to attend a Baptismal Preparation class at least one month before the scheduled date of your child's Baptism. Godparents are strongly encouraged to attend the class along with the parents. (Registration for our Baptism Class is handled online at <https://ap.church/sacraments/baptism/> Please go to Step 3 in our webpage to register for our Baptism Class. If you have already attended a Baptism class within 3 years you will need to submit verification of when and where this was completed.
- Not a member of the parish? We need a letter of permission from the pastor of your current parish before we baptize your child. If you live nearby, we encourage you to join our parish today. <https://ap.church/our-parish/join-our-community/>
