A MESSAGE FROM THE PASTOR

Dear Parish Family,

September 1st marks my one year anniversary since Cardinal DiNardo assigned me as pastor of this wonderful community. This past year at St. Anthony of Padua has been a true blessing for me! We are a vibrant and growing community, and I love learning about the parish and getting to know many of you more intimately.

The past year has been one of growth, adjustments, healing from the pandemic, and of coming back together as a parish family. We returned to the liturgies, the classes, the studies, and the ministries of St. Anthony's with great enthusiasm. Many of our spaces and meeting rooms are filling up once again, and I expect those spaces to be even fuller during the coming Fiscal Year. Our school is thriving and as strong as ever. Nearly every grade is filled to capacity with eager and bright students.

As you are aware, the construction of the Our Lady of the Angels Chapel is nearly complete due to the hard work of Janine Braun (our facilities director) and her team, and to the incredible generosity of the St. Anthony family. The dedication for the new chapel will be this winter, and we will begin holding daily masses, weddings, and other liturgical events in the chapel at that time. Funding the Our Lady of the Angels Chapel project and meeting the \$2.6 million obligation to the Archdiocesan Ignite Campaign during a worldwide pandemic is truly an amazing feat. These are both significant accomplishments!

The other construction projects of the The HORIZON Capital Campaign (The Sheltz Hall Welcome Center and the Multipurpose Building) will be part of a third phase campaign as we continue to discern our way forward. In the meantime, there are some very real immediate capital needs on our campus. Savings built up through years of positive money management here at the parish will be used to address these projects. I am so grateful to our parish family for helping St. Anthony's fulfill our Ignite obligation and especially to build the Our Lady of the Angels Chapel.

Now is the time, as a community and family in Christ, to focus on bringing all our parish family to Mass, to St. Anthony's many programs, and to the discipleship that is so important to the identity of St. Anthony's! In fact, regarding our prayer and liturgical life, the US Bishops have launched a "Eucharistic Revival" to help the Church in the US rediscover the centrality that Jesus in the Eucharist has in our personal and collective lives. The revival is currently at the diocesan level, and we are already gearing up for 2023 when the revival will reach the parish level. May we all live with greater awareness the gift of Himself which Jesus left us!

One ministry I am excited to announce is the Development Council, an organization of parishioner-led sub-committees that will work towards building sustainable growth in all areas of development, including parishioner involvement, capital dollars, an endowment, and much more.

Thank you for the opportunity to serve you as your pastor. I look forward to many more years of service here in The Woodlands. Thank you for your prayers; count on mine, and may God bless you!

Yours in Christ,

Fr. Jesse Garcia
Pastor
