CHILDREN'S FAITH FORMATION

September 2024

Dear Homeschool Family,

As the primary educators of your child's faith, we congratulate you on the decision to continue his or her faith formation through the Elementary Faith Formation – Homeschool Program. Completing the homeschool curriculum with your child(ren) takes dedication and commitment. The Faith Formation department is here to support you as you educate your children. We hope you will enjoy this time together learning about our faith and sharing the love of God with your family.

Enclosed are your Faith Formation homeschool materials for 2024-2025 academic year. Grades 1st-8<sup>th</sup> will use the Faith and Life Series. Kindergarten will use the Allelu! curriculum.

For successful completion of the Homeschool Program, each chapter in the book must be completed. You will have a parent guide with a two-page lesson plan to lead your child each week through their student text. Then they will then complete the activities for each lesson in the activity book. Parent and child will initial each chapter on the turn-in sheet. (Your signature and initials are your word that the chapter was completed.)

Homeschool turn-in sheets are due twice during the year. Submit the Homeschool Turn-in Sheet for each semester to Leslie Bevilacqua at [lbevilacqua@ap.church](mailto:lbevilacqua@ap.church). We will email you confirmation that we received your turn-in sheet. You should strive to complete the lessons below at each turn-in date with **all completed by March 7, 2025**. The due dates are listed below:

- **December 6, 2024** – Chapters 1-15
- **March 7, 2025**- Chapters 16- 30/31 (final chapter varies by grade)

If you have any questions, please reach out, it is going to be a great year!

Blessings,

*Leslie Bevilacqua*
